(Baltimore, MD, August 18, 2010) – Partnership Wealth Management, President, Woody Derricks recently attended *focus10*, a leading financial services industry conference hosted by LPL Financial, the nation's number one independent broker/dealer*.

Held in Boston, July 28 – August 1, 2010, *focus10* was one of the industry's largest gatherings of independent financial advisors to date, and remains the industry's premier sales and education event. Thousands of attendees from around the country assembled for ***focus10, A Focus on the American Dream***. The advisors heard from influential speakers who addressed current events and financial industry trends.
